

# WOW-At-Home

Week of February 10th 2021

**Story Time:** This week we are focusing on BEING KIND! How has someone been kind to you this week?

- Read the story, Be Kind using this link: [Be Kind by Pat Zietlow Miler](#) (you can also find this video on our website under WOW Ministry)
- After listening to the story, Be Kind, read the story of the Good Samaritan: Luke 10:26-37
- How does the Good Samaritan show kindness? Why does Jesus ask us to be kind even when others aren't?

**Craft:** What are some ways we can show kindness?

- Using the handouts included in your kit, write down 5 ways that you can be kind. Hang this on your fridge to help remind you.
- Writing time: Using the handouts included in your kit and follow the prompts about being mean and being kind.
  - Share your stories with your family when you are done.

**Game:** Directions for Skittles Game: Kindness

1. Randomly hand out Skittles to everyone at the table so everyone has a different color.
2. If someone has a yellow Skittle, when it's their turn they would answer the yellow question.
3. Continue a discussion about their answer or help them brainstorm solutions to a problem.
4. Then the next person would go and answer the question that matches their Skittle color.

**Activity:** Go on a scavenger hunt to find kindness!
